

The following prophetic words have been spoken over Calvary Community Church through the years:

1. **CCC is to be a Christian “kibutz.”** We are to be a source of life in a desolate place, a spiritual community of health
2. **CCC is of a different spirit**, like Joshua and Caleb. Don’t let anyone or anything – the devil, disgruntled person, or our own failure – talk us out of our destiny.
 - a. Healing of soul and mind will be in this place. There will be real change in lives
 - b. God wants us to have faith to be a part of the outpouring of God’s power. We are to be a people of faith who operate in healing, miracles, etc.
3. **All of our prayers and prophecies will be fulfilled.** We will be a prototype of what the church will be in the future. We will have a training center and will send out ministry teams.
 - a. God wants to fulfill every prophetic word spoken over this place
 - b. Get these prophecies out, start praying over them, and then start believing
4. **God is going to build CCC with new stones and burnt stones** (burnt stones are people burned out from previous moves and churches). They will fit with new stones.
 - a. Start believing God to fill this building and build this house. Receive all who come. God is going to bring a variety of people.
 - b. Prophetic worship is very important
 - c. Know the signs of the time – the real revival is coming to the teens and 20’s
 - i. We must equip them
 - d. God wants us to use this “kibutz” to welcome Generation X.
 - e. Many giants have been brought down already and you don’t even know it. You must go in and possess the territorial area God has given you. This will be a spiritual land rush – stake a claim, name a specific thing by revelation and don’t let anything not of God come there.
5. **We have entered into the labors of others.** God will change our water to wine – it will be a transgenerational blessing (Joshua 21:43-45 details some of these promises made to their fathers and states that not a word failed that God had spoken over Israel).
6. **Harvest is coming.** We will need more room. We will need more than one service. Hard times are over. God is building a harvest net here. This is a safe place.
 - a. Bring every empty chair and put a soul there by faith.
 - b. We will be amazed at how quickly people mature
7. The paramount thing here will be **love for God and the love of God.**
8. **God wants to do a supernatural ingathering here** like he is doing in Israel. The prophetic confirmation will play an important part in this ingathering, and will be received during worship and personal ministry.
9. **Evangelism** here is going to be done with **supernatural healings, deliverance, and quick maturity will come.** The supernatural will cement conversions. People will be released in their gifts and callings quickly.
10. The Shepherd’s rod is over this church and has found the sheep healthy. This church is healthy. Healthy things reproduce, grow, bear fruit, and are valuable. Therefore, put away anything that stands in the way of the promises of God.

11. **CCC is a gathering place for eagles.** Some quality men and women of God will come to this church, and rest for a season in this place. They will be able to come here and be filled and refreshed.
