

Make a Difference in a Child's Life at Hairgrove!

Did you know you can make a difference in a child's life by volunteering at Hairgrove Elementary School? Volunteers enrich the lives of students and provide support and encouragement to the hard-working teachers and staff. For the past seven years, we have provided support to Hairgrove in a variety of ways. Hairgrove is 89% economically disadvantaged with a large population of English as a Second Language learners. However, despite these economic and language challenges, the students at Hairgrove continue to perform academically at a very high level. Hairgrove believes the support from the churches is a huge factor in that success.

Hairgrove is looking for committed volunteers for the 2022-2023 school year. Below is a list of volunteer opportunities. Please indicate which ones you are interested in exploring, and we will follow up with you to see how you can make a difference!

To be a global volunteer please follow the link to register with the district: <https://www.cfisd.net/domain/2617>

To be a mentor please follow the link to register with the district: <https://www.cfisd.net/domain/2618>
