New Kids Church Lesson Series

A zoo is home to many different kinds of animals. Each one is unique, with its own strengths, abilities, and purpose. Yet together, they make up one amazing zoo! In the same way, God has created each of us with unique gifts, talents, and personalities. As members of the body of Christ, we are all different, but we are called to work together in unity to love God, serve others, and share the good news of Jesus. Throughout this series, kids will discover how God has designed them with a special purpose and how every member of His family plays an important role in building up the body of Christ. Join us Sundays at 10! 1 Corinthians 12:12

REGISTRATION IS OPEN!
