

Principles of Prayer Life

1. No believer's spiritual life will ever rise to stay above his prayer life. You may have some spiritual "hot flashes" but they will not last without sustained prayer.
2. No church's ultimate effectiveness will rise above or be greater than its corporate life of prayer.
3. No church's corporate prayer life will be greater than the personal prayer life of its congregation.
4. No believer's prayer life will be greater than his own private times of prayer.
5. Our practice of prayer will never rise above our view of prayer.
6. Praise is a vital and indispensable part of prayer.
7. The only way to learn to pray is to spend time in prayer.
